

# Mississippi Death Tax Voter Guide Election 2010

## Death Tax Repeal matters for Mississippi

In just a few short weeks the death tax (aka, federal estate tax) comes roaring back to life at the rate of 55% on all estates above \$1 million.

Former Congressional Budget Office Director Douglass Holtz-Eakin has calculated that reinstating the death tax will cost the country 1.4 million small-business jobs.<sup>1</sup> Despite the catastrophic consequences of the death tax, many in Congress support reinstating it.

The voter guide indicates whether candidates have committed to supporting permanent death tax repeal by signing the *Death Tax Repeal Pledge*. The guide also provides the legislative voting record for incumbent members of the U.S. Senate and House.

Please review the guide before voting and share with your friends, family members, and colleagues. PDF copies of the guide are available at [www.nodeathtax.org/election2010](http://www.nodeathtax.org/election2010). Don't forget to vote!
